Contract SP-1915

Subject: TWX SERVICE INSTALLATION AT
EDWARDS AIR FORCE BASE

We are in receipt of your authorizations for telephone installations, letter No. 15983 dated 5-27-57, and letter No. 17239 dated 7-8-57, covering a Los Angeles and an Edwards Air Force Base local phone. However, we have not received authorization to establish teletypewriter service at Edwards, though I have received a first statement for such service showing installation costs \$78.67, equipment charge \$78.65, message charges \$29.92, total bill \$187.24.

I will appreciate receiving your confirming authorization for the installation of the subject service, also instructions for approvals if any which you may require prior to our payment of the charges incurred, and instructions as to which contract shall bear the costs incurred for the subject service.

Yours very truly,

Hal
